

OMNICHoice VAPOR BLOC Acoustical Underlayment (OMNICHoice VB) is a high density, polyurethane acoustical underlayment designed to reduce in-room noise and floor-through-ceiling sound transmission in multi-level construction when installed under laminate, engineered wood, hardwood, luxury vinyl tile (LVT), luxury vinyl plank (LVP), ceramic tile or stone flooring. OMNICHoice VB is manufactured by Healthier Choice Flooring LLC (Healthier Choice).

LIMITED LIFETIME WARRANTY

OMNICHoice VAPOR BLOC is warranted to be free from defects in material and workmanship for as long as the original purchaser owns the premises at which it has been installed. OMNICHoice VAPOR BLOC is warranted to perform as an acoustical underlayment for the warranty period when properly installed under laminate, engineered wood, hardwood, or LVT and LVP. OMNICHoice VAPOR BLOC is warranted to prevent damage to the installed floor covering from sub-floor moisture emissions up to 10 lbs. / 1,000 sq. ft. / 24 hrs. per ASTM F1869 (the anhydrous calcium chloride test) or 85% RH per the in-situ relative humidity test method (ASTM F2170) when properly installed per the floating installation method. ASTM F1869 must be conducted prior to the installation of OMNICHoice VAPOR BLOC and retained to verify sub-floor moisture emissions are \leq 10 lbs. / 1,000 sq. ft. / 24 hrs.

WHAT HEALTHIER CHOICE WILL DO

If Healthier Choice honors a claim under this limited warranty, it will repair or replace, at its option, the affected flooring and underlayment. Replacement is limited to that of the underlayment, reasonable cost of the damaged flooring, and reasonable labor costs.

LIMITATIONS AND EXCLUSIONS

This limited warranty is not transferable and extends only to the original purchaser. This limited warranty shall not apply to damage or failure arising from any of the following:

- Damage due to shipment, careless handling, accidents, abuse or misuse
- Improper sub-floor preparation, failure to follow proper site conditions
- Improper installation, failure to follow all installation instructions
- Improper care and maintenance of flooring
- Damage due to humidity; topical water damage to floor covering from spills, cleaning, plumbing failures, flooding caused by accidents and natural disasters, etc
- Indentations in the floor covering caused by furniture, appliances or other heavy objects
- Damage caused by high heels, spike heels or inappropriate chair casters or glides
- Failure to use appropriate chair pads under furniture with rolling caster wheels (Installation of OMNICHoice VB under LVT or LVP flooring requires the use of a protective chair pad in any area where furniture with rolling caster wheels is used)

Minor indentations, blemishes, or discoloration of the underlayment does not constitute a defect requiring replacement under the warranty.

This limited warranty is not valid for installations of OMNICHoice VB when it is installed as a used product.

THIS EXPRESS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL THE MANUFACTURER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, WHETHER SUCH DAMAGES ARE CLAIMED ON ACCOUNT OF BREACH OF WARRANTY, BREACH OF CONTRACT, NEGLIGENCE OR STRICT/PRODUCT LIABILITY, INCLUDING, WITHOUT LIMITATION, DAMAGE TO PROPERTY OR OTHER ECONOMIC LOSSES. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

This warranty applies regardless of the brand of floor covering installed in conjunction with OMNICHoice VB. Should any manufacturer of a particular brand of floor covering fail to honor its warranty due solely to the installation of OMNICHoice VB rather than the flooring manufacturer's brand of underlayment, Healthier Choice will honor the flooring manufacturer's original warranty provided the consumer provides Healthier Choice with written evidence of the flooring manufacturer's denial of a warranty claim for the sole reason that OMNICHoice VB rather than the flooring manufacturer's brand of underlayment was used in the installation.
